

Being a veteran and having served in the same
navel squadron VA163 as John McCain during
Vietnam I think Sinclair proposed airing of
upcoming special news event featuring the topic of
Americans held as prisoners of war in Vietnam is
Awful and not in the public interest.
Being a veteran and serving my country with
honors I feel that the airing of this program would
not represent the opinion of all veterans yesterday
or today. It is just like the terrorist in that the action
of a few have the ability to disrupt the lives of many.
It would not be true and it would not be news.
I too and many of my fellow mates had concerns
about the war in Vietnam. Serving in the military
does not make one a mindless wonder. John Kerry
has served this country well in the Military and in the
government. To air this program would do all
veterans dishonor.

Sinclair uses the public airwaves free of charge, and
is obligated by law to serve the public interest.
Sinclair's actions ARE AWFUL and a misuse of
public trust and there licensee should be pulled.
Thank you.
